 POLISH AMERICAN
CONSORTIUM GROUP

There is No Business like Group Business...

If you have a group ready to travel, give us a call!

Today, it is just as easy to send a whole bus full of tourists to a particular destination or on a specific quest as one individual. That is why we have expanded our special Group Tour Department this season, not just for set programs created by us, but also for custom designed tours, tailored to your own needs.

For how many days should you plan the tour?

How many participants do you need?

While you can schedule any length of time, American Travel Abroad & Orbis Travel recommend a minimum of seven days and six nights. We can get you started with as few as 15 passengers. Of course, the more the merrier, but, more important, the more, the better the price per participant. If they want luxury all the way, we can provide that. If the group is budget-conscious, we can adjust the program to reflect a more affordable cost. We can arrange the trip with or without round trip air; with full American plan or breakfast only; with special banquets and gala dinners; with as many or as few extra features as you specify.

While we can formulate tours along such diverse topics as music, economics, agriculture, science, commerce or industry in Poland, Europe or anywhere in the world, we already have on tap some ready-made programs throughout Poland. We can offer them to you as is or alter them to your requirements.
